

Castilleja Cotton Pattern Features

- Easy to make using fusible appliqué and simple piecing.
- Pattern cover has exact measurements for easy kitting. Since pattern cover has exact measurements you will want to allow a little extra fabric.
- All fabrics numbered for easy kitting.
- Patterns covers can be customized with your store name (see over for sample) if you buy our sample and 6 patterns.
- Pattern covers can include photo of your own sample with your store name. Minimum order of 6 patterns.

To add a photo of your own sample

- Prepare sample.
- Take a photo of the sample.
 - Take a digital photo using a 2 mega pixel camera (minimum size of 4 x 6) or better and Email picture to Castilleja Cotton.
 - Take a non digital photo (minimum size of 4 x 6) and snail mail to Castilleja Cotton and we will digitize.

Let us make your sample

- Select the fabric for the sample. Since pattern cover has exact measurements you will want to allow a little extra fabric.
- Label the fabric pieces using the # on the pattern cover.
- If unsure about which fabrics to use send us both and we will decide. We will return any used fabric.
- Tell us how many patterns you want with the new sample on the cover. Minimum order of 6 patterns.
- Mail the fabric package to us. For US customers, label the package as a gift so we don't have to pay the GST tax.
- We will make the sample, customize the pattern cover and mail the sample, patterns and an extra fabric back to you.

Experience Level: Novice

Assumes that you have taken a basic quilting course.

Technique: Fusible Appliqué/Pieced
